### **NEIGHBORHOOD INPUT**

Notice of a Public Hearing was mailed to all property owners within 300 feet of the subject property on December 1, 2014. The Planning Division has not received any communication from the public in support or opposition to the special permit request.

### **APPLICATION DESCRIPTION**

The applicant is requesting a special permit and detailed site development plan review to allow for a 44 percent parking reduction. The detailed site development plan shows an existing 3,789 sq. ft., one-story building proposed to be converted to a restaurant. The restaurant use is permitted in the the C-1 (Commercial) zone district; however, the lot does not meet the required parking requirements for the proposed use. Restaurant use for the subject property requires 32 parking spaces. The applicant is providing 18 parking spaces equivalent to 56 percent of the required parking and needs 14 spaces for a 44 percent parking reduction and is providing 3 bicycle parking spaces as required. The applicant is not proposing any new development, further additions, or major improvements other than the conversion improvements inside

the existing structure. The Detailed Site Development Plan complies with all other density and dimensional standards and landscaping requirements. Access to the subject property is proposed from Yarbrough Drive.

There are two special contracts on the property, Special Contract Ordinance No. 7422 dated February 10, 1982 and Special Contract Ordinance No. 4528 dated December 8, 1970, imposing conditions on prohibition of adult bookstores, restricting alcohol sales and storage and the construction of sidewalks curve and gutter. The applicant was advised and decided not to pursue a condition release or amendment as he does not plan to sell or store any type of alcohol or have any of the other prohibited uses. The remaining conditions relate to sidewalks and curve and gutter which have been satisfied or released (see attachments 4-5, pg. 10-23).

### **PLANNING DIVISION RECOMMENDATION**

The Planning Division recommends approval of the requests for special permit and detailed site development plan review for a 44 percent parking reduction as it complies with Sections 20.14.070, Parking Reduction; 20.04.320, Special Permit, and 20.04.150, Detailed Site Development Plan.

### **ANALYSIS**

#### **20.14.070 Parking reductions.**

The amount of off-street parking required for a specific use may be reduced below the minimum required in Section 20.14.050 C., if a special permit is approved by city council, as provided in this section:

A. Existing development. Up to a one hundred percent reduction for a use involving an existing structure(s) located within an older neighborhood of the city that is proposed through the rehabilitation, alteration or expansion of the existing structure(s). The applicant shall satisfactorily demonstrate compliance with all of the following conditions:

1. That the structure(s) is located in an older neighborhood of the city that has been legally subdivided and developed for at least thirty years;
2. That the structure(s) does not extend into an area within the property which was previously used to accommodate off-street parking;
3. That the off-street parking required for the proposed use of the structure(s) cannot be reasonably accommodated on the property due to the building coverage, whether due to the existing structure or due to a proposed expansion of the existing structure; and
4. That no vacant areas exist within three hundred feet of the property where the proposed use is to be located that can be reasonably developed to accommodate the off-street parking requirements.

*The new proposed use is within an existing structure and complies with all of the requirements for a parking reduction.*

C. Parking Reduction Application Procedures. An applicant requesting consideration of a parking reduction shall comply with all of the following:

1. A special permit application for an off-street parking reduction shall not be construed as an automatic approval by the city and shall require the review and approval of the city council as set forth herein;
2. The applicant shall submit adequate documentation to ensure compliance with the provisions of this section. City council shall make the final determination following a recommendation of the city plan commission and may impose conditions and safeguards necessary to protect the public welfare and to conserve and protect property;
3. A completed special permit application for an off-street parking reduction shall be submitted to the planning official, and shall be accompanied with all of the following:
  - a. One copy of a completed application signed by the property owner(s), and
  - b. Eight copies of a detailed site plan of the subject property and all properties within three hundred feet adjoining the subject property, drawn to scale and showing the following:
    - i. Legal description,

- ii. Property lines with dimensions,
- iii. Location and arrangement of existing and proposed structures,
- iv. Location and arrangement of existing and proposed off-street parking areas,
- v. Location and arrangement of existing and proposed on-street parking areas within a three hundred radius from the perimeter of the lot of the facility requesting the reduction,
- vi. Calculation of the number of minimum off-street parking spaces for the existing and proposed use(s) of the property.
- vii. Off-street loading and unloading berths, where applicable,
- viii. Off-street parking spaces and driveways not subject to reduction, if applicable,
- ix. Streets abutting the property, including the location and dimensions of sidewalks, and
- x. Areas within the property where landscaping is provided, if any,
- c. One copy of a parking reduction impact study or of the letter from the city engineer waiving the parking reduction impact study, and
- d. One copy of a letter from the Director of Sun Metro indicating that the main entrance to the property is within one thousand feet of a mass transit system route,
- e. One copy of a proof of ownership document, and
- f. One copy of a current tax certificate sealed and having the signature of the city tax assessor/collector, for each parcel of property described in the application for an off-street parking reduction;
- 4. An off-street parking reduction granted pursuant to this section shall be particular to the use for which it was granted. A change in use that results in a change of parking requirements or hours of operation shall automatically terminate the off-street parking reduction;
- 5. Structure(s) for which an off-street parking reduction has been granted shall be in accordance with all other applicable codes;
- 6. An application for an off-street parking reduction shall demonstrate that all of the following circumstances apply:
  - a. That a reduction in the off-street parking requirement will not result in the unreasonable parking or loading of vehicles on public streets in such a manner as to interfere with the free flow of traffic on the streets, as demonstrated by findings of a parking reduction impact study where required by the city engineer. A parking reduction impact study, where required, shall be prepared in accordance with the standards required by the city engineer,
  - b. That a reduction in the off-street parking requirement will not create a safety hazard or other condition inconsistent with the objectives of this title,
  - c. That the property where the proposed use is to be located has sidewalks and the main entrance is within one thousand feet of a mass transit system route, as determined by the director of Sun Metro, and
  - d. That off-street parking not subject to a reduction shall comply with all other city ordinances governing off-street parking, including accessibility for the disabled.

*The applicant has submitted a complete application including a verified parking study for the area that shows sufficient on-street parking to satisfy the off-street parking requirements.*

#### 20.04.320 Special permit approvals.

- A. Building and occupancy permits shall not be issued to any building or use identified in this title as requiring a special permit until after approval of such special permit by the city council.
- B. Building and occupancy permits shall not be issued for any building or use identified in this title as requiring an approved detailed site development plan as required by Article III, until such approval has been granted.
- C. No building or occupancy permit may be granted for the erection, rehabilitation, enlargement or demolition of any building in a designated historic area or for any building that is a designated historic landmark until prior approval has been granted by the historic landmark commission.
- D. The city council, after hearing and report by the city plan commission, may approve a special permit upon a finding that the proposed development meets the following minimum requirements necessary to protect the public health, safety and general welfare of the community:

1. The proposed development complies, except to the extent waived, varied or modified pursuant to the provisions of this title, with all of the standards and conditions applicable in the zoning district in which it is proposed to be located; complies with any special standards applicable to the particular type of development being proposed, or to the particular area in which the development is proposed; complies with any special approvals required in connection with such development or area;
  2. The proposed development is in accordance with and in furtherance of the plan for El Paso, any special neighborhood plans or policies adopted by the city regarding the development area, or any approved concept plan;
  3. The proposed development is adequately served by and will not impose an undue burden upon the public improvements and rights-of-way by which it will be served or benefited, or which exist or are planned for installation within its boundaries or their immediate vicinity. A traffic impact study may be required to determine the effects of the proposed development on the public rights-of-way;
  4. Any impacts of the proposed development on adjacent property are adequately mitigated with the design, proposed construction and phasing of the site development;
  5. The design of the proposed development mitigates substantial environmental problems;
  6. The proposed development provides adequate landscaping and/or screening where needed to reduce visibility to adjacent uses;
  7. The proposed development is compatible with adjacent structures and uses;
  8. The proposed development is not materially detrimental to the enjoyment or valuation of the property adjacent to the site.
- E. The applicant may request that the city plan commission waive one or more of the criteria based on its no applicability to the proposed development. The city plan commission, upon a recommendation of the planning official, shall make a determination on the no applicability of the criteria and shall render a finding based on such determination, and shall forward their recommendation to city council for final review and approval.

*The application meets the requirements for special permit.*

#### 20.04.140 When required.

Except as stated herein, a detailed site development plan is required prior to development in a special purpose district or with a special permit application and may be required if a zoning condition exists on a particular piece of property. Detailed site development plans are not required for any projects for development in the Mixed Use District (RMU, GMU and IMU) or for any other projects other than those located in special purpose districts or as otherwise required herein.

*Detailed Site Development Plan review is required as part of the special permit application.*

#### 20.04.150 Procedure.

- D. City plan commission approval. Pursuant to this Code, the city plan commission, in addition to the powers and duties identified in this chapter, shall have final authority on approval of all other detailed site development plans, unless a zoning condition, contract provision, other city code provision or state law require the detailed site development plan to be approved by city council.
1. The planning division shall make its recommendations to the city plan commission within thirty days after a complete application is submitted.
  2. The city plan commission shall hold a public hearing at its regular meeting that is within thirty days from receipt of department recommendations.
  3. The commission shall consider the following information when approving a proposed detailed site development plan: the boundaries of the tract proposed for development; location and arrangement of structures; determine if the use conforms to applicable zoning regulations, determine if historic landmark commission approval has been granted for architectural design of all structures if located in a historic district and the design conforms to such approval;

- location of utility rights-of-way and easements and storm water drainage; vehicular and pedestrian ways; on-site parking areas; location of open spaces and landscape planted areas.
4. In no instance shall the city plan commission have authority to vary the yard standards applicable to the district.
  5. The city plan commission shall approve the plan if it complies with all applicable code provisions.

*Planning Staff has reviewed the detailed site development plan, and it meets all requirements of Sections 20.14.070, Parking Reduction, 20.04.320, Special Permit, and 20.04.150 Detailed Site Development Plan.*

#### **Plan El Paso-Future Land Use Map Designation**

All applications for special permit shall demonstrate compliance with the following criteria:

G-3 Post-War: This sector applies to transitional neighborhoods typically developed from the 1950s through the 1980s. Streets were laid out with curvilinear patterns without alleys and shopping centers are located at major intersections behind large parking lots. This sector is generally stable but would benefit from strategic suburban retrofits to supplement the limited housing stock and add missing civic and commercial uses.

The purpose of the C-1 (Commercial) district is to serve the needs of surrounding residential neighborhoods by providing compatible neighborhood convenience goods and services that serve day-to-day needs. The regulations of the districts will permit location of business and professional offices and retail category uses within adjacent residential areas of medium and high densities.

#### **COMMENTS:**

##### **Planning and Inspections – Planning Division - Transportation**

No objections: Confirmed parking study showing sufficient off-street parking available.

Note:

All existing / proposed paths of travel (accessible sidewalks, wheelchair access curb ramps and driveways) within public rights-of-way shall be in compliance with current ADA/TAS rules and regulations and the current City of El Paso Design Standards for Construction.

##### **Police Department**

No comments from PD on this case.

##### **Sun Metro**

Sun Metro does not oppose this request. A letter was provided to applicant noting that two bus stops are located well within 1,000 feet for site. Both are serviced by Route 67 travelling along Yarbrough.

##### **El Paso Water Utilities**

EPWU does not object to this request.

**Water:**

1. 2. There is an existing 8-inch diameter water main extending along Yarbrough Drive that is available for service, the water main is located approximately 41-ft east from the center line of the right-of-way.
2. EPWU records indicate a vacant water service connection (inactive meter) serving the subject property. The address for this service is 544 N. Yarbrough Dr.
3. Previous water pressure from fire hydrant #5829 located approximately 425-ft north of Mauer Road has yield a static pressure of 90 (psi), a residual pressure of 85 (psi), and a discharge of 1,113 gallons per minute.
4. The owner should, for his own protection and at his own expense, install at the discharge side of each water meter a pressure regulator, strainer and relief valve, to be set for pressure as desired by the customer. The Lot owner shall be responsible for the operation and maintenance of the above-described water pressure regulating device.

**Sanitary Sewer:**

There is an existing 8-inch diameter sanitary sewer main extending along Yarbrough Drive that is available for service, the sewer main is located approximately 50.5-ft east from the center line of the right-of-way.

**General:**

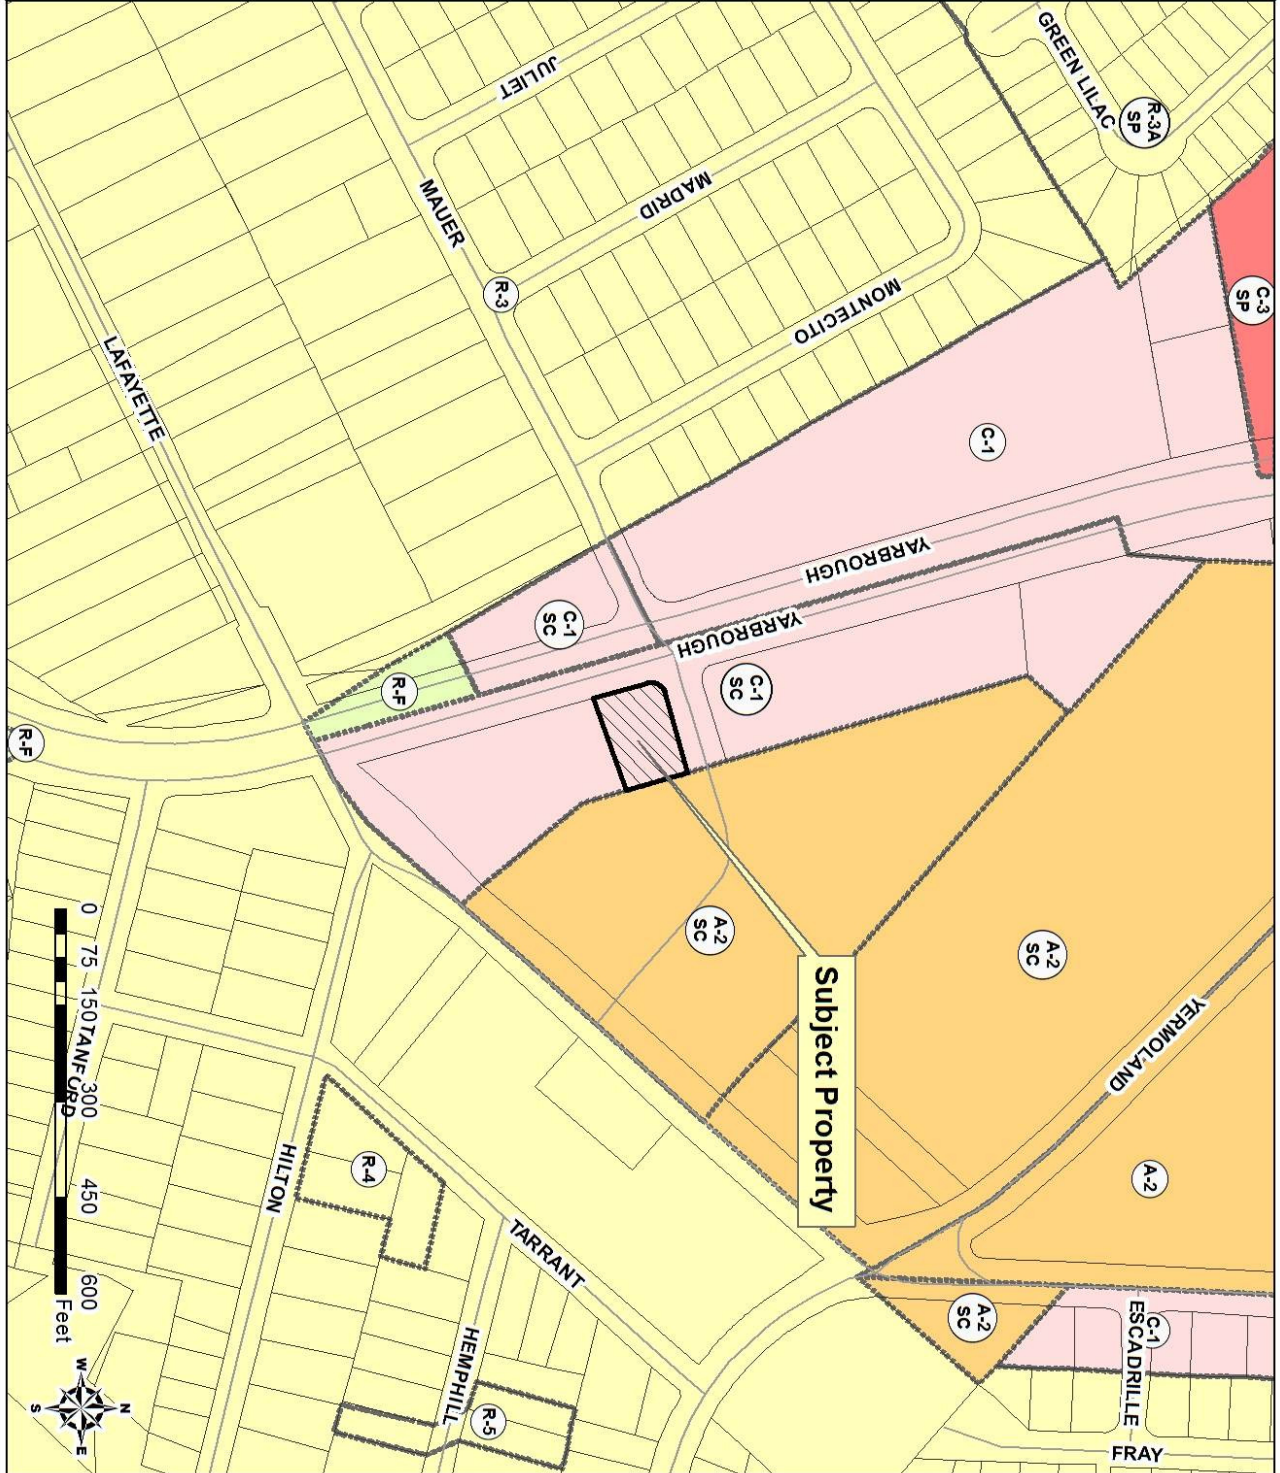

EPWU requires a new service application to provide service to the property. New service applications are available at 1154 Hawkins, 3rd floor and should be made 6 to 8 weeks in advance of construction to ensure water for construction work. A site plan, utility plan, grading and drainage plans, landscaping plan, the legal description of the property and a certificate-of-compliance are required at the time of application. Service will be provided in accordance with the current EPWU – PSB Rules and Regulations. The applicant is responsible for the costs of any necessary on-site and off-site extensions, relocations or adjustments of water and sanitary sewer lines and appurtenances.

CONTRACT

THIS CONTRACT, made this 10 day of Feb., 1982,  
by and between RUBIN INVESTMENTS, a Texas general partnership composed  
of LOUIS J. RUBIN, GERALD J. RUBIN, BYRON H. RUBIN, IRVIN I. RUBIN,  
and JAY M. RUBIN, First Party, SURETY SAVINGS ASSOCIATION, Second  
Party, and the CITY OF EL PASO, Third Party, witnesseth:

Application has been made to the City of El Paso for rezoning  
of a portion of Tract 2C5, Block 6, Ascarate Grant Surveys, City  
of El Paso, El Paso County, Texas, such property being more parti-  
cularly described in Ordinance No. 7422, now pending before the  
City Council of the City of El Paso, a copy of which is attached  
hereto and made a part hereof by reference. To remove certain  
objections to such rezoning, First Party covenants that if the  
property is rezoned to C-1 (Commercial) District within the meaning  
of the zoning ordinance of the City of El Paso, it shall be subject  
to the following restrictions, conditions and covenants:

1. No building permits shall be issued for the property  
until a subdivision plat of the property has been approved by the  
City Plan Commission and filed for record.
2. No bar, private club or other establishment where alcoholic  
beverages are sold for consumption on the premises shall be permitted  
on the property.
3. No adult bookstore, adult motion picture theater or nude  
live entertainment club shall be permitted on the property.
4. No certificates of occupancy and compliance shall be  
issued by the City for any building constructed on the property  
until First Party has, at no cost to the City, done the following:
  - (a) Installed curbs, gutters and asphalt paving on both  
sides of Lafayette Drive adjacent to First Party's  
property.
  - (b) Installed concrete sidewalks along the boundary of  
the property which is adjacent to Yarbrough Drive.
5. All such curbs, gutters, paving and sidewalks shall be  
installed and constructed in accordance with plans and specifica-  
tions to be approved by the City Engineer of the City of El Paso

81-4723

-1-

and the City Engineer must certify that such improvements have been satisfactorily completed before certificates of occupancy and compliance shall be issued.

This contract is a restriction, condition and covenant running with the land and a charge and servitude thereon, and shall bind First Party and its successors in title. Any future conveyance of the land shall contain these restrictions, conditions and covenants and shall embody this agreement by express reference.

The City may enforce this agreement by injunction or any other legal or equitable remedy. The City Council of the City of El Paso may release the above restrictions, conditions and covenants in its discretion without the consent of any third person who may be benefited thereby.

Second Party is the owner and holder of recorded liens on the above described property and consents to this contract.

This Contract, made this Sunday day of December,  
1970, by and between JOE K. FOSTER, First Party, and the CITY OF EL  
PASO, Second Party,

W I T N E S S E T H :

Application has been made to the City of El Paso for  
rezoning of Tracts 2C5, 2A1B, and 2B1B, Block 6, Ascarate Grant,  
El Paso County, Texas, as more fully set forth and described in  
Exhibit "A" attached hereto. In order to remove certain objections  
to such rezoning, First Party covenants that if said property, which  
is described in Exhibit "A" attached hereto, is rezoned from F-R to  
A-2, as more particularly described in Ordinance # 4528, that  
First Party will not construct more than 20 apartment units per  
acre, will maintain a parking ratio of two to one and will not con-  
struct or permit to be constructed any curb cuts on Yarbrough Drive,  
which abuts the property to be zoned A-2, and which is described in  
Exhibit "A" attached hereto.

This agreement is a restriction, condition and covenant  
running with the land and a charge and servitude thereon, and shall  
bind First Party and his successors in title. Any future conveyance  
of the land shall contain this restriction, condition and covenant  
and shall embody this agreement by express reference.

The City may enforce this agreement by injunction or any  
other legal or equitable remedy. The City Council of the City of  
El Paso may release the above restriction, condition and covenant  
in its discretion without the consent of any third person who may  
be benefited thereby.

PARTIAL RELEASE

WHEREAS, by contract dated December 10, 1970 between JOE K. FOSTER and the CITY OF EL PASO, recorded in Book 321 at Page 0005 of the Deed Records of El Paso County, Texas, certain restrictions, conditions and covenants were placed on Tracts 2C5, 2A1B, and 2B1b, Block 6, Ascarate Grant, El Paso County, Texas; and

WHEREAS, the City Council of the City of El Paso has determined that the restriction prohibiting the construction of curb cuts on Yarbrough Drive which abuts the property to be rezoned A-2, is no longer necessary and should be released;

NOW THEREFORE, the City of El Paso has released and by these presents hereby releases JOE K. FOSTER, his successors and assigns, and the above described property from the restriction, condition and covenant described above.

Except as herein released, all other terms of the above-described contract shall remain in full force and effect.
